

The board meeting began with Budget Discussions. Points discussed included the need to increase appeals for sponsorships, to work on lowering Bezeq fees and electricity bills to bring down our costs. A budget for 2023 was approved.

The renovation committee presented that they are moving forward to receive quotes for their work so that they can build their own budget and determine what sections of the renovations they will be starting with. The committee will be meeting again in 2 weeks and will present their findings to the board.

There was a discussion about the melava malka and its function and who might be able to head it this year.

Lastly the board got an update about the upcoming purim meshloach manot fundraiser.
